An Opportunity

To

Strengthen

Your

Chamber

Investment

The Crystal Lake Chamber of Commerce provides businesses with programs and events that meet a variety of needs, while creating the opportunity for members to increase their support of the Chamber's mission.

Premier, Platinum, Platinum Plus, Emerald, and Diamond membership levels are investments above and beyond regular membership dues.

The funds from the additional investment help the Chamber provide new opportunities and benefits for our members while continuing to support program development.

The advantages received are many when adding your business name to the list of Premier, Platinum, Platinum Plus, Emerald, and Diamond members!
